ALTUS Multifunction

Very versatile with its vast number of combinations, the ALTUS Multifunction chair will excel in many different applications. ALTUS Multifunction is available with or without Armrests and with or without Upholstery or a combination of an Upholstered Seat and Perforated Polypropylene Backrest.

ALTUS Multifunction is a contemporary design from Europe and is a very well finished and comfortable chair. It has a strong, fully welded steel frame, available in either Black Powdercoat or Chrome finish. Being certified by the European testing authority 'CATAS' means that the ALTUS Multifunction is a very robust chair.
