Gen-X

Bench series

Gen-X frame system is made in Portugal and is made using rectangular tube sections robot welded with multiple angles to showcase a distinctive eye catching and bespoke functional range of desks, tables and benches that complement today’s modern collaborative workspace.

Gen-X is fully resolved and finished to perfection, features include White, Black or custom colour legs, various worktop styles and finishes, above desk or below desk power and a selection of 3 desk screen styles in hundreds of finishes.
