

VENU

VENU

A brilliant, well-engineered, multipurpose chair - VENU is available in Black or White Polypropylene with a chrome frame and can be linked in rows with an optional discreet linking device. The seat can be upholstered allowing you to co-ordinate with any colour scheme.

VENU is very comfortable and the PP seat version stacks up to 35 high on a trolley and 12 high on the floor. The upholstered seat version stacks 6 high on the floor and up to 18 on trolley.
