

urbin

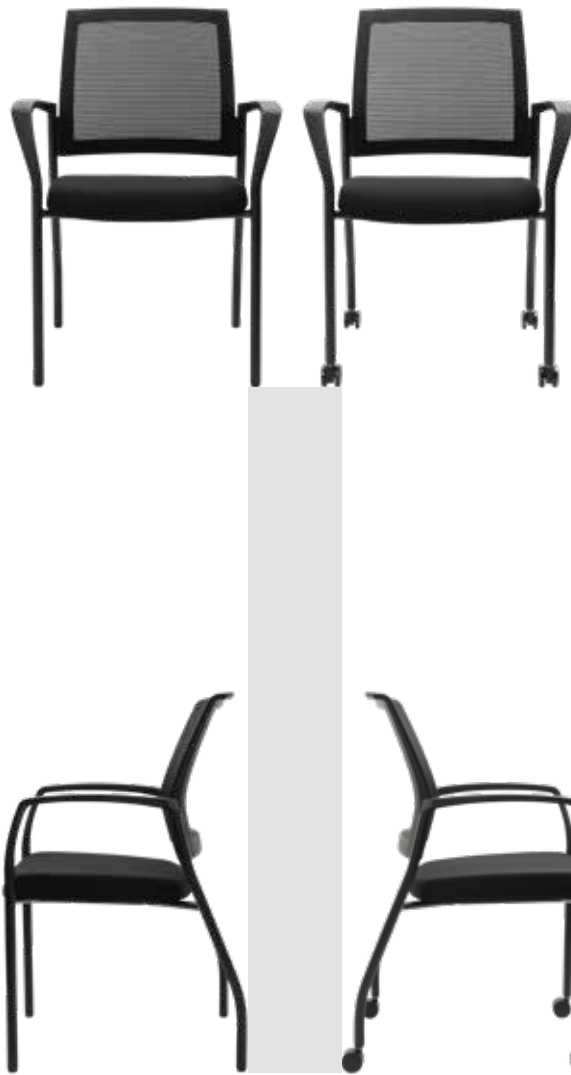

AVAILABLE WITH CASTORS OR GLIDES ON WELDED STEEL 4 LEG FRAME

The Urbin chair has a fully welded pre-assembled steel frame, the taut mesh back and moulded foam seat ensure the Urbin will be comfortable for many applications. With a full length horizontal arm the Urbin is well suited to waiting areas, meeting rooms or any visitor area.

Both models, with glides or castors, have the same heights

Back leg designed to prevent back of chair damaging the wall
